STATE LEADERSHIP SEMINAR  
SPRING 2016

Spring 2016

Dear HOBY Ambassador:

I hope that your outstanding HOBY Leadership Seminar has motivated you to become even more active in your school and community. You have demonstrated an ability to lead and positively influence others. Most importantly, I think you have learned a lot about yourself and how to become a successful leader in your community.

Please read the materials included in this EXCEleration Kit. There are more opportunities to get involved with HOBY on a local, national, and international level. This includes joining a HOBY Alumni Chapter, attending the World Leadership Congress (WLC), attending the Advanced Leadership Academy (ALA) your junior or senior year, joining the International Tour program and completing our 100-hour Leadership for Service challenge. It's up to you to make it happen! To motivate you to accomplish your goals, sign the enclosed "Passport to the Future" and post it as a reminder of your commitment to your community.

Don't forget to tell your friends and family about your HOBY experience. Also, share with your school principal and guidance counselor how your HOBY experience will make you a better leader in your school and community. Finally, make sure your school sends another sophomore student to next year's seminar and offer to help with the selection process!

The future is yours, and HOBY is very proud to have touched your life along the way.

HOBY hugs!

Javier La Fianza  
Chief Executive Officer

## LIFE WITH HOBY

Your HOBY program was an OUTSTANDING experience! However, your life with HOBY is just beginning. Here are a few ways you can further your leadership training and stay involved with HOBY on a local, national, and international level.

### **Join your local HOBY Alumni Chapter**

HOBY Alumni Chapters are comprised of HOBY Alumni that promote continued educational and leadership opportunities through personal/professional development and hands-on, volunteerism, and leadership skill-building activities. To get involved, email [alumni@hoby.org](mailto:alumni@hoby.org) and request to be connected to your local Alumni Chapter.

### **Complete the Leadership for Service (L4S) Challenge**

HOBY challenges all Ambassadors to complete a minimum of 100 hours of community service through the Leadership for Service (L4S) Program. Students have one year from their HOBY program to perform and log volunteer service hours on HOBY's L4S website or the HOBY app. At the completion of the challenge, students receive a certificate of recognition from HOBY, The President's Volunteer Service Award, scholarship opportunities, and more. For more information, email [L4S@hoby.org](mailto:L4S@hoby.org) or visit <http://www.hoby.org/alumni/leadership-for-service>.

### **Attend the World Leadership Congress (WLC) After Your Seminar**

All HOBY Leadership Seminar Alumni are eligible to attend the World Leadership Congress (WLC), which brings together more than 400 national and international students for a week-long, intensive educational program. The WLC is designed to allow students to discover their own personal leadership potential while becoming responsible and responsive global citizens. For more information, visit <http://www.hoby.org/programs/world-leadership-congress>.

### **Attend the Advanced Leadership Academy (ALA) Your Junior or Senior Year**

The Advanced Leadership Academy is the next level of leadership development. The university-style curriculum is designed for high school juniors and seniors, HOBY Alumni and non-Alumni, to advance their skills and implement a service project. Participants (known as Project Managers) learn what it takes to become an agent of change in their community. For more information, contact Vicki Ferrence Ray at [ala@hoby.org](mailto:ala@hoby.org) or visit <http://www.hoby.org/programs/advanced-leadership-academy>.

### **Join in the International Tour Program**

Explore other countries and cultures through HOBY's International Tour Program. Designed for high school and college students, this 8- or 9-day tour takes participants on a professional guided tour of some of the world's most exciting and historic destinations. HOBY Alumni, siblings, and friends are invited to participate. For more information, visit <http://www.hoby.org/programs/international-programs>.

### **Start a Community Leadership Workshop (CLeW)**

CLeWs are one-day HOBY Leadership Workshops that are coordinated by Alumni like you! Following a motivational meeting with Dr. Albert Schweitzer during a trip to Africa in 1958, Actor Hugh O'Brian was inspired to establish Hugh O'Brian Youth Leadership. "One of the things Dr. Schweitzer said to me was that the most important thing in education was to teach young people to think for themselves," O'Brian said. "From that inspiration, and with the support of others who believe in youth and the American dream, I started HOBY to seek out, recognize, and develop outstanding leadership potential among our nation's youth."

# THE CONGRESSIONAL AWARD

## CONGRESS' AWARD FOR YOUTH

The Congressional Award is a public private partnership created by Congress to promote and recognize achievement, initiative and service in America's youth, ages 14 to 23. The Congressional Award provides a unique opportunity for young people to set and achieve personally challenging goals that build character and foster community service, personal development and citizenship. To earn a Congressional Award, participants set and achieve individual goals in four program areas:

- Voluntary Public Service
- Personal Development
- Physical Fitness
- Expedition/Exploration

All young people are equally able to earn the Congressional Award, because goals are set based on individual interest, need and ability. A young person is not selected to receive the Congressional Award; he or she earns it.

Members of the U.S. House of Representatives and U.S. Senate recognize their constituents who earn Bronze and Silver Congressional Award Medals at local, citywide or statewide ceremonies. The Gold Medal Congressional Award ceremony is held annually in the U.S. Capitol and is presided over by the leadership of the House and Senate. The Youth Correspondents program engages young leaders from across the country in creatively addressing our nation's most significant youth safety challenges. Through teamwork, they craft and promote original communications and media campaigns to positively impact their peers, reduce injuries, and save lives.

### **How it works**

Youth ages 15-21 with an interest in journalism, photography, film production and editing, art, graphic design, website design, and public relations may apply between May 20<sup>th</sup> and September 15<sup>th</sup>. Selected participants work together in small teams over the course of one academic year, led by experienced peer Advisors, creating digital portfolios and national media campaigns around key safety topics.

### **The campaigns**

Each year, NOYS selects several campaign topics on critical youth safety issues. Each Youth Correspondent team selects two campaigns and builds two digital portfolios. Campaign topics for 2015-2016 include Safe Walking, Drunk Driving Prevention, Slow Down & Stop Speeding, Suicide Prevention, and Speak Up Against Bullying.

### **The portfolios**

Each team finishes the program year with two completed portfolios, one for each of their two chosen campaigns. Early in the program year, portfolios are defined and developed by each team under the leadership of their team Advisor. Multiple iterations are submitted from January – June, providing opportunities for teams to receive feedback from their peers and NOYS staff at each round, culminating in final, polished portfolios submitted by June 15<sup>th</sup>. Each portfolio review offers a valuable learning opportunity to sharpen skills and hone messages.

### **Campaign promotion**

NOYS and its partners have the opportunity to review all portfolios created by the Youth Correspondent teams upon their completion, and may promote portfolios or selections from a portfolio if desired. NOYS also hosts a digital showcase, open to the public and featuring all completed portfolios, at the end of each program year. Youth Correspondents have opportunities to reflect on the experience and share their work on the NOYS blog and via social media using #YouthCorrespondent.

Participants complete the program year with new skills in communications and media, in-depth knowledge of key youth safety issues, new friends in youth safety and advocacy, and a portfolio to add to their resumes!

We grant the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy.

# WE NEED YOU TO MAKE WISHES COME TRUE!

**About Kids for Wish Kids-** The program is designed for kids K-12 to help grant the wishes of kids with life-threatening medical conditions. Kids are responsible for the program; from brainstorming fundraising ideas, to developing a plan of action and managing their fundraisers from start to finish.

Teachers and parents often serve as advisors, but ownership of the project belongs solely to the kids involved. In addition to granting wishes, kids can expect to walk away with a better understanding of:

- ✓ Community Service
- ✓ Leadership Skills
- ✓ Money Management
- ✓ Teamwork
- ✓ Entrepreneurship
- ✓ School spirit

## How to help – Host a Wish Week!

A Wish Week is a week's worth of fundraising, made up of daily fundraising events to help Make-A-Wish grant the wish of a child in your community! An individual, group of students or small steering committee can start a Wish Week; and teachers, principals and club advisors are often excellent resources.

## You can make a difference!
