

10 reasons to advertise

it's on-air, online and on target

1

Reach

- Radio is on 24/7, reaching over 93% of people age 12 and older every week and 78% daily
- Often considered a frequency medium, radio is an ideal reach medium when planned differently – especially based on Arbitron PPM data
- Reach 3 consumers 1X rather than 1 consumer 3X since that 1 consumer is less likely to need a product/service than any 1 of the 3 would be
- Ads are most effective when they remind people of brands they know, at the time they happen to need a product or service.
- Reminding is a perfect job for radio when used as a reach medium

3

Immediacy

- Consumers vary in their stages of the purchase cycle – on-going Radio ads allow your product or brand to be front and center when people are ready to buy, even during off seasons
- Radio reaches consumers close to the time and location of purchase, whether they're in-store or online shoppers.
- Reach listeners in-car when they're driving to stores, restaurants, etc.

4

Loyalty

- “Radio continues to be perceived as central to people’s lives, especially when contrasted with the precipitous decline by other traditional media” – Arbitron/Edison “Infinite Dial”.
- Radio continues to be the #1 source of music discovery despite the numerous audio options that exist today.
- People spend more time listening to news on the radio each day than they do reading newspapers or getting news online. The amount of time people listen to radio news has remained more stable over the last decade... -- Pew Research Center for the People & the Press
- Listeners tend to listen to relatively few radio stations and are extremely loyal to their favorites.
- Research shows that Radio listeners have a low level of ad avoidance, staying tuned in through commercial breaks.
- Because ads can run frequently and listeners tend to stay tuned for long periods of time, a brand that is big in Radio can create a disproportionately large share of mind for itself.
